products trends **rose gold**

By Alissa Ponchione

4

Porcelanosa offers the Chelsea bath series, seen here in rose gold, which adds harmony to the curves and edges of the fixture and can be personalized thanks to the PVD (physical vapor deposition) technique, where the high-gloss covering is resistant to cleaning products and corrosion.

1

Cyprus from **Dornbracht** is a high-gloss finish produced using 18-karat gold and copper to achieve a rose gold look. The new sheen is available in the Tara and Tara Classic (shown), giving a contemporary design an opulent look. DORNBRACHT.COM

2

Nostalgie, designed by Dima Lognoff for **Studio Italia**, marries its retro shape with LED technology for a rich pendant collection. The size and shape of the handblown glass differ slightly and are offered in four colors: crystal, chrome, gold, and rose gold (shown). SID-USA.COM

3

The Mallo accent table from **Arteriors** is made of stainless steel and plated in copper then highly polished to a mirror-like finish. The tray top is removable and can easily be pulled up to a chair or table to hold a drink. ARTERIORSHOME.COM
