

# METROPOLIS

A photograph of three people in a studio setting. A man on the left is seated at a drafting table, writing on a piece of paper. A woman in the center is standing at a drafting table, looking at a tablet. A man on the right is standing at a drafting table, holding a laptop. The background is a plain white wall with shadows cast by the people and tables.

## grapes™

Grapes are luminous LED spheres available in three sizes and in two finishes: White/Satin or Crystal/Chrome. Grapes can be arrayed in precise or random patterns, in multiple clusters, or as single points of light from a system of canopies that allows for infinite possibilities.

## DIALOGUE

### PORCELANOSA FLAGSHIP GRAND OPENING

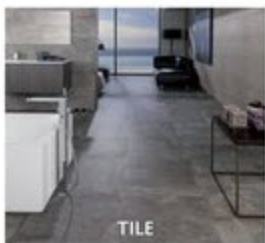

On September 9, Porcelanosa, the Spanish surface, kitchen, and bath company, partnered with the Madison Square Park Conservancy to host its fall fundraising gala as part of the official launch of its new flagship New York showroom. The event was part of Porcelanosa's multiyear partnership with the conservancy. Top Porcelanosa brass, including director general Silvestre Segarra (top), industry heavyweights, and celebrities such as Sarah Jessica Parker and Richard Gere were in attendance.
