8 ODD COUPLE

Inspired by concrete and plaster surfaces, **Ariana's** Crea is available in five soft pastel hues that lend an industrial, yet velvety, effect to walls. ariana.it

9 FIBRE OPTICS

Ceramica Sant'Agostino's Tailorart collection enriches textured ceramic planks with highly touchable fabric effects. ceramicasantagostino.it

10 SOFT TOUCH

This tessellating polygon pattern is one of four decorative options that enrich **Love's** Essentia collection of subtly textured wall tiles. lovetiles.com

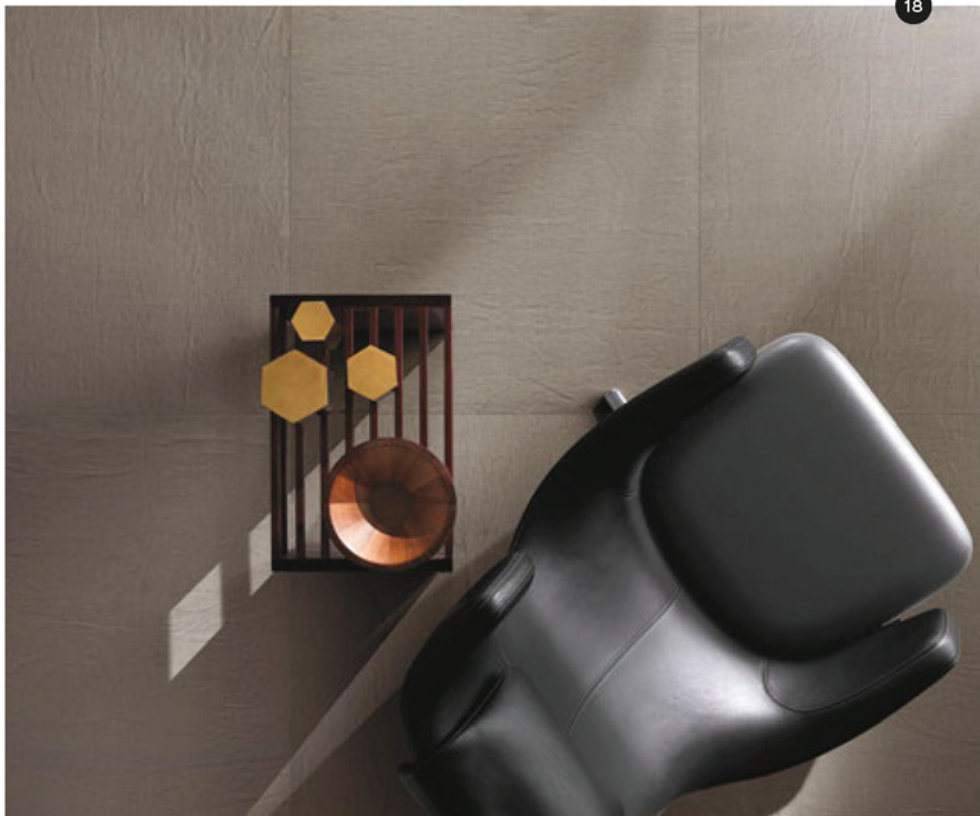

11 MODERN MOTIFS

Ceramiche Piemme's Bits line reinterprets classic terrazzo, replacing marble chips with spots of wood-look porcelain. ceramichepiemme.it

12 AMALFI VIGNETTE

Blu Ponti is **Francesco De Maio's** faithful reproduction of tiles designed by architect Gio Ponti for his 1961 Parco dei Principi seaside hotel in Sorrento. francescodemaio.com

18

13 GONE STREAKING

New to **Fondovalle's** Infinito 2.0 line, Sahara Noir, an interpretation of black Aziza stone, takes marble emulation in a fresh direction. fondovalle.it

14 ART OF LAYERING

Tapping into the trend of wood impersonations that are more interpretive than realistic, Wood Mood by **Fioranese** includes textured treatments. fioranese.it

15 QUIET COMPLEXIONS

Fap welcomes a return to colour with its 30.5-by-91.5-centimetre wall tiles, in eight muted hues and with a range of special pieces and finishes. fapceramiche.com

16 GREAT PRETENDERS

The authentic veining of **Urbatek's** XLight Premium large slabs creates visually seamless marble effects for walls, floors and counters. urbatek.com

17 PERENNIAL PATHWAYS

At 20 millimetres thick, **Caesar's** Aextra20 porcelain stoneware is a handsome alternative to flagstone. Seven new hues complete the collection. caesar.it

18 NEW SENSATIONS

Lea Ceramiche's contribution to the multi-sensory covering craze: floor and wall panels that realistically express plaster, concrete and linen. ceramichelea.it
