## THE SAN FRANCISCO FALL ART & ANTIQUES SHOW OPENING NIGHT PREVIEW GALA

The annual San Francisco Art & Antiques Show was all love and loads of flower power in celebration of fashion designer Andrew Gn. The 36th edition of the show featured dealers from around the world, who brought an extraordinary range of decorative arts, antiques and more inspired by or covered in florals. The design community came out in droves to shop and admire the stunning vignettes designed by Pamela Babey, Jay Jeffers, Kendall Wilkinson and Edward Lobrano with custom de Gournay wallpaper.
